

Welcome to RDSlist.com!!! Please click the frequency group above to view the stations that we have in our list!! If we don't have your station listed, please submit it!! Thanks to all of you who have contributed so far and thank you for visiting! Because of YOU we currently have **1,551** RDS stations listed!

6/14/09: **I just want to start off by thanking you for continued loyalty to RDSList.com. I started this website as a hobby back in 2004. Unfortunately that means other things take priority over this website. You have sent in tons of updates, but as the sole webmaster of this site, I have failed to keep it up to date. The website hasn't been updated in over a year and I'm not sure when I will get to updating it. I have taken the update form down for now. I will continue to keep this page up as I DO plan to get this website back in operation in the near future. The e-mail will still work though. Please feel to shoot me an [e-mail](#) with questions, comments or anything else.**

-Sincerely, Chris
